'Looking forward, a new era at Eaton House Belgravia promises to build on this legacy of success'

Since embarking on this journey in January 2024, our school community has demonstrated its commitment to excellence and willingness to embrace challenges. This spirit has been instrumental in shaping the outstanding achievements of our boys, particularly in their 7+, 8+ and 11+ examinations.

At Eaton House Belgravia, our educational model is designed to nurture and develop the whole child, fostering not only academic attainment but also personal growth. The recent results from the 7+, 8+ and 11+ examinations are a testament to the efficacy of this approach, and I am immensely proud of each boy who has passed through our school and onto further success at some of the most prestigious schools locally and nationally.

The formative years at Eaton House are about laying a foundation of happiness where developing friendships, executive function and a love for learning go hand-in-hand. As our boys grow and transition into Years 1 and 2, they begin to solidify their academic

foundations alongside essential life skills like manners and respect. It is here that they start to face challenges designed to foster resilience and independence. Our approach to challenge is deliberate. This process is supported by attentive teaching, a robust curriculum and leading learning enrichment that underscores the importance of lifelong learning. The conclusion of their journey at Eaton House Belgravia is always a proud moment for us. Our boys move on to prestigious schools, equipped with the skills, knowledge and confidence required to thrive.

Looking forward, a new era at Eaton House Belgravia promises to build on this legacy of success. We are committed to continually enhancing our educational practices and facilities to meet and exceed the evolving needs of our boys. Our aim is not just to maintain our tradition of excellence but to expand it. Well done to all who contribute towards providing the education and experience our boys all enjoy here at Eaton House Belgravia.

Mr Ross Montague  
Headmaster

# Leavers' Thoughts

*I have been in this school for 3 years but now I am excited to begin a new journey at Westminster. I will remember laughing and joking with my friends and will miss my 'team' of friends.*

**Joshua, 2B**

*My proudest moment was the 2022 EHB Sports Day; I tried hard and won a lot of medals that day. The games and fixtures we play make school really enjoyable. I feel quite comfortable to move on but there is a part of me that would also like to stay.*

**Ettore, 2B**

*I worked hard to get into my new school so I am excited to go. I will miss the lessons and all my different teachers.*

**Hanqi, 3A**

*My main memory of school is laughing with my friends. They are great! I am confident and excited for my move but I will miss the teachers and how things run here at EHB.*

**Sebastian, 3A**

*I have loved having all my friends together in one place. I especially loved when we got to do coding in Computing class.*

**Saish, 3B**

*My friends and teachers have helped me so much during my time at Eaton House. I am excited to make new friends in Year 7 but this school will always have a special place in my heart.*

**Kabir, 6A**

## EXIT SCHOOLS

*"About a third leave at 7+, and another third at 8+, for prestigious schools including Westminster Under, St Paul's and King's College School Wimbledon. Others stay on till 11+, with varied destinations including Wetherby Senior, North Bridge House and Dulwich College. Also some to other London preps such as Sussex House School, and a few move to Eaton House The Manor for 13+ prep - seamlessly supported by the school." (Good Schools Guide 2024)*

## ACADEMICS OVERVIEW

*"An unashamedly academic school, parents feel it gets the balance right between stretch and pressure. Nurturing boys' hunger for knowledge and sparking their natural curiosity, it prepares them thoroughly for entrance assessments without stressing them out." (Good Schools Guide 2024)*
