

EATON HOUSE THE MANOR
GIRLS' SCHOOL

PREPARED FOR LIFE

It is a privilege to welcome you to Eaton House The Manor Girls' School. Choosing the right school for your daughter is one of the most important decisions you will have to make as a parent. Finding the perfect environment in which your daughter can blossom and grow is essential, as it will allow her to develop a passion for learning and cherish every moment of her school journey. I hope that this is exactly the environment you will find here.

It is an honour to lead this school and shape the young women of the future. Over the course of the next few years, I want the girls to flourish, to leave for their senior schools having confidence in themselves and a deeper understanding of the part they play as global citizens. I value this opportunity to educate your daughters, to shape their minds and empower them, ready for the next stage of their life.

We are committed to truly inclusive teaching, so that every girl can achieve her personal best – whether that is in the classroom, on the sports field, in the drama studio, or the art room. We deliver the highest quality teaching, whilst nurturing the girls in a school where pastoral care is paramount. Pupil wellbeing is at the heart of our school curriculum. Strong mental health is fundamental to be able to thrive in life, and we know that prioritising this allows our girls to develop the resilience to cope with the ups and downs and grow into well-rounded, healthy adults.

I hope that our prospectus will give you a flavour of life here at Eaton House and help you discover more about us, the achievements of our girls and the exciting opportunities we provide - but please do come and visit us and see for yourself. It really is a very special place!
