

## Leavers' Thoughts (2024)

*Eaton House has been such a welcoming place. For the 7 years I have been here, I have enjoyed every minute of it: learning, sports, academics and making new friends along the way. Eaton House has prepared me for the best and taught me so many new things.*

**Skyla Dean**

*My seven years at Eaton House have been unforgettable. I am very sad to be leaving my friends and everybody here but I am extremely excited to go to my senior school and have a new beginning. I have loved being Sports Captain and getting to go to lots of different fixtures. Thank you very much Eaton House.*

**Alannah Ludgate**

*I have been at Eaton House since Form 2, and I have been warmly welcomed by friends and teachers ever since. I have really enjoyed my time here and will be sad to leave it behind. Eaton House was a wonderful experience and I will miss it very much.*

## FROM THE GOOD SCHOOLS GUIDE (2024)

### EXIT SCHOOLS

*"All girls leave at 11+, moving on to top schools. JAGS and Wibleton High being most popular, with others to Emanuel, Alleyn's and Wycombe Abbey. Benenden, Streatham and Clapham High School, Francis Holland, St Paul's Girls, Downe House and City of London School for Girls and Woldingham also feature in our girls' choices." In 2024, the girls were awarded 34 scholarships and exhibitions.*

### ACADEMICS OVERVIEW

*"It's an academic school with impressive outcomes, but it is non-selective and mixed-ability so parents stress it does not have a hothouse atmosphere. Parents say they have been 'impressed by recent additions of experienced teaching staff'. They say that although the school has girls reaching an 'incredibly high' academic standard, others are not left behind and are encouraged to develop their talents wherever they lie."*

We offer warm congratulations to all of our 2024 leavers

'I am very proud to lead a school with such a warm and inclusive atmosphere'

As another fantastic academic year nears its end, I am delighted to see the continuation of our schools history of excellent 11+ results. The Form 6's have been shining ambassadors of Eaton House girls and have tackled the year with their usual energy, enthusiasm and drive. I know that the girls experienced some feelings of anticipation as they waited for their secondary school offers to roll in and they have certainly reaped the rewards for all their efforts. I hope that they are pleased with the outcome of their dedication and hard work. I am incredibly proud of them all.

At Eaton House, our ethos encourages confidence and positivity in the girls and empowers them to believe they can be anything they want to be. This, alongside our wonderful staff and facilities, have seen a broad range of the scholarships won in 2024,

including academics, sport, drama, and art.

On top of the individual strengths of each of the girls, I have witnessed a strong sense of community amongst them and have been impressed by the way they uplift and encourage each other inside and outside of the classroom. I feel privileged to lead a school with such a warm and inclusive atmosphere, and I believe our excellent results are a true reflection of this spirit.

We consider each day at Eaton House The Manor Girls' to be an academic adventure, creating a supportive and stimulating environment that fosters a genuine passion for learning in each of our pupils. I know that this year's cohort of leavers will carry this with them into their senior schools, and I wish them the very best as they begin the next stage of their exciting adventures.

Mrs Claire Fildes  
Headmistress
