EATON HOUSE THE MANOR PREP SCHOOL

Results 2024

We offer warm congratulations to all of our 2024 leavers

‘We aim to identify and nurture each boy’s budding strengths and interests so that he will have the confidence to pursue them’

Our academic successes have come in many forms this year. From outstanding senior school destinations, to a flurry of academic scholarships to King’s College School, Wimbledon, Dulwich College and Whitgift, to prizes in external competitions, the boys have done themselves proud.

Our focus on humanities was objectively measured by our many successful entries to Ampleforth’s annual History Essay writing competition, which saw entries from 25 top Prep schools. Bravo to Ayaan and Giacomo for coming 1st and 2nd respectively, and to Cyrus for winning the ‘Outstanding Entry’ category. Three more boys were awarded ‘Very Highly Commended’, and a further 12 ‘Highly Commended’. More plaudits from the SATIPS Challenge, a national General

Knowledge competition, where we had two boys make it into the top 50 of the Junior Competition, and five boys ranked in the top 50 of the senior competition. Special mention to Louie for coming 2nd overall in the senior competition. Maths continued to be an area of great expertise for the boys, with terrific results at the First Maths Challenge in Year 4, Primary Maths Challenge in Years 5 and 6, and a considerable number of excellent results at the bonus round level.

Our boys are heading off to 18 different schools this year, both day and boarding, where they will continue to thrive and flourish at their new schools. My thanks go to all the staff who have prepared the boys so well, and supported them throughout their time at Eaton House The Manor.

Mrs Sarah Segrave
Headmistress and
Group Principal

Leavers' Thoughts 2024

The people, opportunities and memories made and experienced here are simply unforgettable. The only words I can say to express my gratitude are, thank you. Thank you for everyone and everything.

Rocco Lesser

Eaton House has changed me at a molecular level, and I am proud of my peers, glad for having my teachers and proud of the school I went to.

Toby Irvine

I joined this school in Year 4 and the times I have had and the friends and teachers I have met have been unforgettable. I will remember it forever.

Wilber Squires

I will miss this school, as I have built many strong relationships with people and I have developed well in my sports. Keep believing in yourself!

Nishay Patel

I have been at this school for nine years now, and in that time I have got to know it like it is my second home. I am really going to miss the place, but am definitely ready to move on to my senior school.

Jasper Ball

THE GOOD SCHOOLS GUIDE

EXIT SCHOOLS

"A handful of boys leave at 11+, the rest at 13+, with around half going to day schools, half to boarding. Most to Dulwich College, Westminster, Brighton College, St Paul's and Whitgift. Others to Abingdon, Bishop's Stortford College, City, Eton, King's College School, Wimbledon, Marlborough, St. Edward's, Tonbridge, Trinity, Wellington, Wetherby, Winchester and Worth. Eleven scholarships in 2023."

ACADEMICS OVERVIEW

"A warm, welcoming, inclusive school with a traditional style that focuses its energies on its pupils' academic progress, personal development and wellbeing rather than on being super slick. It's an approach that enables them to access leading boarding and day schools in the country."
